

References

References is a library of water sounds and water texts. Its score is continually taped over and added to, reflecting the present, zeitgeist, and shifting seas. As you press play and don the headphones, you will be able to listen from the point at which the previous listener stopped.

The score, presently:

Seagulls

Edge of waterfall, bubbling

Civilwarland in Bad Decline, George Saunders, 2016, excerpts from *The Wavemaker Falter*s
